Principal's Report Term 3 - Week 5 - 2021

Back from another lockdown, the students have shown incredible resilience by getting straight back into the swing of things. Thanks to all our families for the flexibility and commitment they have shown in recent times, it is helping us make the best of a challenging situation.

School Council met last night and discussed a number of interesting topics. One of which was the design of our new Grade 6 Rugby tops. We have settled on a design now and the Grade 5 students in particular are excited about getting them for next year.

Urban Camp is still on the radar, set for November 29 to December 1. It will be a wait and see adventure but we encourage families to keep making their camp payments as if it is going ahead. Please let the school know if your Gr 3-6 child/children will NOT be attending the camp so that we can plan accordingly. I believe if it goes ahead, it will be a highly educational opportunity, learning to navigate an urban environment in the current scheme of things.

We are hoping to head up to Lake Mountain in two weeks for our Annual Snow Trip. At this stage we are all booked in and notes will be coming home shortly. We will keep you updated via School Stream as to any new details. We are also holding The Fun Run at 2pm next Friday. Parent helpers are welcome to position themselves around the pondage, high-vis vests are available from the office.

We have a couple of student teachers starting next week. Emma and Madison will be with us for a few weeks and we welcome the extra support they will provide our students as they continue to hone their teaching skills.

The students are enjoying the special music and art programs we are running at the moment, thanks to a couple of grant opportunities that came up.

It has certainly been a great term studying the Olympics. What an amazing effort from all the different countries across the world. Fantastic for our students to learn about.

Have a great fortnight everyone, stay safe.

Mr Jai Harrington, Principal

Eildon Kindergarten Report - 13 August 2021

The children have been busy using their imagination, creating amazing structures with our large collection of cardboard boxes, cylinders, tape etc.

Open ended play and activities instil confidence in our children to experiment with new concepts as they realize there is no right or wrong, alleviating any fear of making mistakes (process not the product).

We had another exciting venture to our bush setting. Our focus was the environment and what we can do to look after it. The children decided they would like to collect rubbish with tongs and a bucket - they were very pleased with their efforts (reflecting learning outcome 2 - Community).

Cooking potatoes two ways was another highlight this week. We peeled, sliced and pan-fried our first batch. The second batch we wrapped in foil and roasted in the coals of our campfire. Yum, Yum!!!

Baking is an important life skill, it provides the opportunity to reinforce hygiene, safety, healthy eating and numeracy/literacy concepts.

Our garden requires a good weed and tidy up - if anyone out there has the time to pop down on a Thursday, Friday, Saturday or Sunday - it would be much appreciated!

Reminder, Picture Plate money is due now - \$25 per plate ordered.

Cheers, Megan & Kass

Every child is different.
So is every foster carer.

BERRY STREET

A little of your time can change an entire life.

In Victoria, the number of children who cannot live safely at home has risen every year over the last 10 years. Children in care have experienced trauma — they need a safe, nurturing home environment to help them recover.

If you are over 21 and have a spare bedroom, we would love to hear from you. As a foster carer, you could make a huge difference to a child or young person in need.
