Kindergarten Report - 17th May, 2019

Animals, Animals, Animals!! We have had two weeks filled with being surrounded by animals.

Thank you to Huntah's family who brought in baby lambs and turtles to show everyone at kinder.

We also ventured out on an excursion with the 4yr olds to Mansfield Zoo where we saw up close and fed, Meerkats, Lions, Camels, Deer, Rabbits, Guinea Pigs, Alligator, Llama's, Dingos, etc etc. Not only did the children learn valuable lessons about animals and their habitats, it was also an opportunity for the children to demonstrate resilience whilst conquering some fears of different animals.

The children have been building up their endurance and fitness levels in preparation of our fundraising walkathon on Wednesday June 5th. This has been an opportunity to develop their road safety skills and knowledge.

Finally, we have received a new outdoor mud kitchen, and work bench which the children are all very excited about.

In the next few weeks we will be focusing on bush kinder, camping themes and nature. If you have any skills, expertise or equipment we can utilise, don't be shy to volunteer your resources, chat to Megan.

Cheers Megan and Kass
