## Principal's Report Term 2 - Week 7 - 2021

We have done very well this week with the revised Covid19 setting and thanks to students, parents and staff for all doing their part in making the most of the time available.

It was great to have everyone back at school today and well done to everyone for remembering to sanitise and social-distance.

We are getting to the end of term now and teachers will be starting to write reports. We are so proud of the way students have caught up on their learning this semester. Teachers have also done so well making the lessons super-engaging to also support student wellbeing.

Next week we have our Community Centre Meeting (Monday 7pm), Parents' Club (Tuesday 7pm) and School Council (Thursday 6:30pm). We certainly appreciate and need parent volunteers to help us develop the school. So if you are at all willing and able to attend any of these meetings, please consider!

We do have the Smile Squad coming in the next few weeks. Hopefully, all permission slips have been returned so families can take advantage of this free dental service.

Thanks to Neil, Hudson and Toby Hall who helped restore our fleet of school bikes to full capacity last week. It was very kind of them to do this and we are all excited to get back out on the pump track on Monday.

Thanks also to families for informing the office when students have been absent!

Finally, it has been great to see all the students nice and warm in full winter uniform recently. Don't forget we have school jackets and beanies now!

Have a great fortnight.

# Eildon Kindergarten Report - 4 June 2021

Braveheart's Ditto Show was a great success. The children really enjoyed it and learnt some very important personal safety messages. The program conveys six principles of personal safety: differentiating Yes and No feelings, recognising the bodies warning signs, body ownership, what to do if you feel unsafe, helping children identify language and feelings associated with secrets and reinforcing there is no secret that children cannot tell someone. Ditto taught the children these six principles through songs like 'Run and Tell' (someone you can trust) and 'Private Parts' (they belong to me).

The children also acknowledged 'National Sorry Day' and 'Reconciliation Week', engaging in indigenous art work activities, listening to dream-time stories, indigenous music and painting a very special aboriginal flag.

We were unable to access the bush due to lock down. Instead we had a couple of our own camp-fires at Kinder and toasted some yummy marshmallows.

**Important reminder:** Please keep children at home when unwell, especially during these testing COVID times.

Cheers, Megan & Kass
