Well done Jade!

Principal's Report Term 3 Week 9 - 2019

Well we have come to the end of another term and what a great term it has been. So many incredible learning experiences have taken place relating to our inquiry theme The Media. They have included some wonderful incursions and excursions. As a result, our students have continued to grow in their academic, social and physical skills.

We had a great night at the concert last night with a huge rollout of parents, extended family and members of the wider Eildon community in attendance. The students did a great job with their performances which is a credit to all the hard work they put into their rehearsals. A huge thank you to Mrs Hall, Mrs Crowle and Miss Mangelsdorf for all the hard work and creativity they put into setting up the concert. It was a great night indeed with many stellar performances from the kids as well as some nostalgic cameos from the staff! Looking forward to the next one!

Well done to the Juniors class who have won the Best Group Entry for the MARC Children as Authors comp. Congratulations for writing some excellent pieces!

Great to see that so many of our families attended the Fishing Festival on the weekend and a huge thanks to the Parents Club who ran a very successful Bake Stall. Thanks again team. The kids did some great art work for their display again which was very well-received. The Kindergarten joined in this year too with a terrific presentation of fish art on the wall!

We found out last week that the school is going to receive substantial funding from the Department of Education to upgrade the old school building. This is fantastic news as we are just up to that point in terms of the development of the school. Much planning will go into the process and it will take some time but we are really looking forward to this fantastic improvement coming to fruition.

Next week we have School Council on Wednesday night at 7pm and Parents Club on Thursday night at 7:30pm. In addition, we are having a Tennis Clinic Day with St Mary's Alexandra at the Eildon Tennis

Club on Thursday. Members of the Tennis Academy will be taking part in this day and we are looking forward to a really great session of tennis skill development. Speaking of tennis, it was great to receive news last week that Eildon Primary School has been named as one of three schools to be Finalists in Tennis Victoria's Most Outstanding School category. This is a great achievement and marvellous recognition of the hard work our students have put into learning the skills required to play a particular sport. We will find out if we are the winners in mid October at the Tennis Victoria Champion's dinner (hosted by Todd Woodbridge)!

On the last day of term next Friday, we are having our Annual Footy Colors Pie Day. SRC are having a fundraiser for lunch with pies and there will be a Parents v Kids footy match on the oval. All welcome!

Finally, thanks to the success of the Fun Run, we will be installing a Flying Fox and Parallel Bars into the playground over the holidays!

Have a great break everyone!

Kindergarten Report - 13th September, 2019

The children have had a very busy couple of weeks.

We have been preparing our garden beds and have even started planting seedlings. Together we will water and tend to our gardens as we monitor the growth process. We will then hopefully get to enjoy the produce.

The Darlingford Nursing Home visit was again a great success. The children were very excited to be returning to visit their friends at the nursing home. (One young boy referring to one of the residents as his mate).

The residents and children played with the play dough, painted at the easel and bounced balloons around the room bringing many smiles to many faces.

The Community Services Day was another highlight. Fisheries, Police, Fire Brigade and Ambulance Services all participated on the day. The children moved around the vehicles, turned sirens on and off, tried out the ambulance stretcher, had a turn at spraying the fire hose all while having the opportunity to engage with the officers.

A big thank you to all the Community Services Officers for making this exciting day possible.

Bob Goninon came to visit us at the Kindergarten with his baby duckling. He shared his knowledge with children about the duckling and how it will grow and develop. Thank you Bob.

Kinder photos next week Wednesday 18th September.

Cheers, Megan and Kass

Tennis Victoria recently asked the Victorian Tennis community to nominate worthy applicants for consideration for the 2019 Victorian Tennis Awards.

The quality of the nominations was so strong that selecting finalists was an extremely difficult task for our voting panels.

Having said that, it is with great pleasure to inform you that Eildon Primary School are a **finalist** in the Most Outstanding School award category. Congratulations!
