## Principal's Report Term 2 Week 2 - 2019

Welcome back to Term 2 everyone! It has been nice to get a bit of rain this week as the students ease back into the school routine. Attendance has been much better this week with all of the Easter and Anzac public holidays over. A big thanks to Brandon and Isaac for representing the school so well at the cenotaph on Thursday at the Anzac Day Parade. The wreath they laid was very ornate and symbolised the deep Respect we have for those who have served their country.

Well done also to Reese, Isabella, Ryan and Xanthe who attended the Murrindindi Council Meeting last Wednesday night. The council recognised our school leaders for the roles they have undertaken this year and presented them with lovely certificates during the meeting. Keep up the great work!

Our Junior Outdoor Learning Area is now complete and we have had a lot of positive feedback about this project. The space is certainly far safer now and I am sure you will agree it is much nicer to look at than before. The original artwork in the area has been brought back to life and the pavers that were purchased by so many of our current and former school community members add a wonderful feeling of history to our school.

We are expecting the arrival of a chicken coup next week. This was approved by School Council at its last meeting. The students have been informed and are quite excited to meet our new feathery friends. The grounds have received a mow and general tidy up this week from Russell and they do look quite amazing. We certainly are lucky to live and learn in such a beautiful location! The vegetable garden will get a bit of a tidy up over the weekend ahead of our Cross Country event next Tuesday. Speaking of which, it will be great to see lots of families supporting the kids at the Cross Country. Their will be a sausage sizzle held by our amazing Parents Club, so come on down and see all the action from 11am to 1pm.

The new valance for our stage is now complete and looks amazing! Our performing arts skills are certainly going to get even better now with such amazing equipment at our disposal. School concert here we come!

It has been great to hear from the teachers that almost all of our students are doing their nightly reading. Great job everyone!

### Mothers' Day Stall Friday 10th May

A note was sent home with the newsletter and Eyes on Eildon regarding the Mothers' Day / Special Person Stall next week.

### Next Meeting

Our next meeting is on Wednesday 29th May @ 7:30pm in the MP Room.

Everyone welcome!

# Kindergarten Report - 3rd May, 2019

The children have all settled back into the new term very well.

We would like to welcome two new enrolments, Huntah Weatherald and Connor McKernan.

Reflecting on Anzac Day, the children participated in poppy art and some of them were able to visit the cenotaph with us to lay a flower from our garden.

Speaking in front of small groups has been a focus this term. This helps children to develop the skill of being heard along with confidence. Listening skills are also being practised and developed as they engage in speaking to an audience.

There has been a lot of construction at the Kinder this week with new nails and wood provided. The children have been busy using their imaginations, working together to construct wooden houseboats, cameras etc.

Mothers day is approaching so we have been busy making special treasures for our special mums.

Unfortunately, the Kinder photos were cancelled on Wednesday 1st May due to poor weather. I am pleased to let everybody know that we have rescheduled for Wednesday 18th September.

The Kindergarten will not be operating Wednesday 8th May, we apologise for any inconvenience. It has been decided to open the Tuesday 7th May session up to our 3 year olds.

*Cheers Megan and Kass*

## Healesville Sanctuary - A megafauna experience straight out of the ice age!

Giant animals, called megafauna, once roamed the landscapes of Asia, Africa, Europe and North America more than 10,000 years ago. These MegaBeasts are eerily familiar with some of their relatives still in existence today but on a much smaller scale. Spot the giant terror bird, the woolly mammoth, the saber-toothed tiger and more in this animatronic spectacular. You can also help us discover why megafauna ever went extinct by exploring a collection of amazing, ancient artefacts.

### Mega Tips!

Keep an eye out for our roving Mega Keepers. They are mega-excitable and love sharing quirky facts about each and every one of the beasts. Make sure to catch the Mega Keeper Talk at 1.30pm during the week, and 11.30am and 1.30pm on weekends and school holidays.

Included with entry. Kids under 16 visit FREE on weekends and school holidays. Members visit free every day.

6 April to 14th July 2019, 9:00am to 5:00pm daily
