Principal's Report Term 4 , Week 7 - 2019

It has been another busy fortnight as we head into the last few weeks of the year. Great to see everyone wearing their hats this week as the sun is starting to gain in strength.

A reminder to parents that The Eildon Primary School Council Summer's Eve Ball is only a week away. One of the main objectives of the evening is to create a positive social occasion for our school community. To that end, we ask that you consider coming along to the ball for a great night. You will also be supporting our great school!

We are in the middle of our transition program at the moment and the students are enjoying experiencing the learning environments they will be working in next year.

We have not had any interest from families in the Before and After School Care proposal. As a result, we will put this on hold for now and reassess in the new year.

Next week we have the Knox School students coming up from Melbourne to do some community service at the school and down at the tennis club. They have some great reading games in store!

We also have the Literature Festival on Friday. All of our students will be taking the bus to Marysville Primary School to join in the fun with the authors on the day. Thank you to our Parents' Club for funding the cost of the bus.

The students have been playing very nicely of late and working very hard on their reading comprehension.

Keep up the great work everyone!

Mr Harrington

The last School Council meeting for the year will be held on Tuesday 26th November at 6:30pm at the Rubicon Hotel Thornton. The meeting will be followed by dinner in recognition of the council members hard work and support for our great school. Thank you councillors for your efforts - it is appreciated by the school community.

Kindergarten Report - 22nd November, 2019

Last week while on our nature walk/picnic alongside the upper pondage, one of our 4yr old children, Hailie, made a comment about wanting to have her birthday at the tennis courts. As a result, the following Monday on Hailie's birthday we had a blast developing our hand/eye coordination, playing tennis. We were also lucky enough to enjoy some delicious birthday cupcakes for morning tea made by Hailie's mum, Tash.

This fortnight we have also been concentrating on making collage pictures with different shapes, abstract art with primary colours, shelter building with ropes and tarps, cooking apple turnovers, sensory and water play with herbs and citrus fruits (cut, grind, squeeze, smell) which encourages both awareness of senses and extension on vocabulary.

With the 4yr old group, we have also had a focus on numeracy games, practicing letter formation and name tracing.

On Remembrance Day, we had a very important discussion, on the mat, before we sat quietly for one minute, we could hear the bugle call from our Kinder and this led to further discussion and interest on the topic.

Transition Day was a great success for the 4yr old group and the children became familiar with their Foundation setting for next year.

To finish the fortnight we had a few attempts at making the perfect Slime for sensory play, moon sand and also made Sushi, filled with chicken and avocado which most of the children tried and enjoyed!

*Cheers,
Megan and Kass*
