

Kindergarten Report - 14th June, 2019

Three cheers for the Kindergarten children who all successfully participated in our fundraiser Walkathon on Wednesday 5th June. Please remember to collect sponsorship forms and money and hand in at the Kindergarten or School office, we are hoping to update our bookshelves with the money raised.

A big thank you Peter Geldart from the Primary School and Eleanor (Colton's mum) for helping out on the day.

We have been focusing a lot on numeracy skills, practising our counting and identifying numbers in there written form.

Building shelters in our playground has also been an area of interest, something we will be able to put into practise on our next bush day.

Making our own moon sand at Kinder has been another highlight, great sensory experience for the children.

The children have been busy working on beautiful weaving pieces using sticks, this activity helps develop and strengthen fine motor skills.

Fee notices have been distributed so please make sure these are paid at the school office ASAP.

There will be NO KINDER SESSION running next **Wednesday 19th June**, 3 year old children are welcome to attend on **Tuesday 18th June**.

Cheers, Megan and Kass
