

Kindergarten Report

Friday 24th April 2020

Welcome back to the beginning of term 2, I must say a very different looking term 2.....

Despite what is going on in the world, we are all continuing to enjoy learning through play together. For some of you this is taking place at home with families and packs provided by staff whilst others are accessing the funded program at the centre.

We have been focusing on hygiene practices and sharing special stories with the children such as 'When the World was Spring Cleaned', to assist with the children's understanding of current circumstances and to also eliminate any fears they may have.

The children have enjoyed collecting autumn leaves from the school yard, looking at the colours, sizes, making leaf pictures and discussing the season and changes that are occurring.

The children have made special isolation hugs for their elderly friends at the Darlingford Nursing Home, these were delivered by staff and the residents loved them. Once again we have had to postpone another scheduled visit due to covid 19.

With ANZAC Day approaching we have been busy making our own wreath, this has involved collecting clippings from the garden combined with the children's hand prints.

We have been busy playing matching numeracy and literacy games with recycled bottle tops, please remember when looking at letters to expose children to the lower case formation.

A risk assessment in relation to Covid 19 has been prepared and is available at the centre if anyone would like to read it.

Cheers, Megan and Kass.
