

# Eildon Kindergarten Report - 27 August 2021

During last week's sessions, children had a great time creating beautiful drawings while moving to the beat. There was a real buzz in the room and lots of laughter. They have also been busy working on special Fathers' Day craft, these will be delivered with next week's distant learning pack.

Distance learning is different this time as you will all be well aware. The centre can only accept children with parents who are essential workers (with permit) and vulnerable children.

Kass and I have been busy working on packs for your children to assist with their learning and development at home. The packs contain ideas and resources for families to engage in with their children, we try to provide activities to cover all curriculum areas.

It is paramount that you are playing with and engaging with your child/children and we encourage parents not to increase screen time during the current lockdown.

Everybody is doing a great job and we have been very pleased to be receiving some beautiful pictures of the children engaging with their packs.

Take care all, if you require anything please don't hesitate to make contact with me.

Keep an eye on our Facebook page and SchoolStream posts.

Cheers, Megan & Kass
