Students of the Week Week 4, Term 2

Juniors

Jake Tennyson

Jake has shown Respect by working hard in reading and spelling to write excellent space stories.
Fantastic effort Jake!

Middles

Cody Ball

For showing the term value of Respect, creating an enthusiastic and informative script for his Space Documentary.
Well done, Cody!

Seniors

Ash Newman

For making great choices and doing her best at school.
Well done, Ash!

Week 5, Term 2

Scarlet Oakley

Scarlet showed Respect and Integrity by writing lots of descriptions in her stories.
Well done!

Anna Joshy

For showing the term value of Respect, finding so many Space nouns and describing them with interesting adjectives!
Stellar work Anna!

Jasmine Hunkin

For showing Resilience by learning how to use renaming to subtract into the thousands.
Well done Jasmine!

SMILE SQUAD dental service
Visiting Eildon

Appreciations

Thankyou,

😊 Eildon Foodworks for donating gifts for our Mother's Day Stall.

Principal's Report Term 2 - Week 5 - 2021

It has been an interesting fortnight at Eildon Primary School.

We had a fabulous Space Incurtion on Tuesday with the kids learning so much about the universe. Thanks so much to Miss Mangelsdorf for organising this great activity to reinforce the learning about our Term 2 inquiry theme *Space*.

Well done to all the children who have been participating in extra – curricular activities out in the community lately. Well done also to the parents for transporting and supporting these great hobbies. At the moment we have students participating in the following:

Tennis – Eildon Tennis Club Thursdays 4-5pm
AFL – Alexandra Rebels – Tuesdays / Thursdays 4:30pm
Auskick Eildon Thornton – Tuesdays 4pm
Netball Alexandra Rebels – Tuesdays Thursdays 4:45 – 6pm
Volleyball Wednesday Nights – Eildon Community Centre – 5pm
Aussiehoops – Tuesday Nights – 5pm - Alex Gym.
Soccer – Saturday 8am – Alexandra.

Well done to our Grade 3 & 5 students for completing their NAPLAN last week. The students worked very hard both before and during the assessments. Well done to all the work done by teachers and parents to help prepare the students. We expect to receive the results in August.

Just a reminder that Daily Free Hot Meals are provided at Eildon Primary School. Students have been really enjoying the food especially in the cold weather! Thanks to Kylie for preparing.

The Arboreal Wonderland will be receiving some lovely art-work and signage in coming weeks which will make it even more wondrous.

The teachers are participating in some professional learning around the teaching of music at the moment. This will make our lessons even more engaging for the students. As a part of the program we will be receiving a substantial upgrade to our musical instruments.

Have a great fortnight everyone.

Mr Jai Harrington, Principal

Indonesian Awards

Jake Tennyson - Great efforts in Indonesian Jake. You answered many questions correctly and contributed a lot today. Bagus Sekali

Cody Ball - Cody did an amazing job pronouncing the Indonesian words today. All were pronounced correctly. You also read your work out clearly and with confidence. Baik Sekali!

P.E. Awards

Levi Campbell - Fantastic agility and speed shown during P.E. Levi. You give your best in all activities and encourage others. Well Done!

Anna Joshy - Fantastic overarm throwing this week Anna. You threw straight and far. Great technique = your best throws! Well Done!

ART Awards

Heath Tomlinson - For showing the term value of Respect by carefully creating a night sky scene of Aurora Australis with metallic pastels.

Hunter Ricco - For showing the term value of Respect in his carefully created scene of Aurora Australia and the R.M.S. Titanic.

Murrindindi Shire Council invites you to have your say on our draft Waste and Resource Recovery Strategy 2030

Council is aspiring to create a more sustainable future for communities across the Shire – and we need your help to make this happen! If, like us, you're passionate about the issues of waste and recycling, then join us as we embark on this exciting adventure.

Council is developing its Waste and Resource Recovery Strategy 2030, which will guide our approach to waste management. Council has put together a draft Strategy and we're now inviting you to share your thoughts and ideas and to let us know if you think we're on the right track. The survey is open until Friday 28 May 2021.

On Tuesday, students felt like they had travelled to Outer Space when they entered the Space Dome. They learnt lots about the Solar System, galaxies and more, through clever animations and intriguing facts. It really was out of this world!!

“Give Me Some Space” Quiz!

These questions and answers were written by the students after hearing the book read from the International Space Station on Wednesday (As seen on the School Stream App!).

What was the fish's name and who is it named after?
A: Neil Armstrong.

What was the 'sparkly, blue planet'?
A: Earth.

What was Una scared of?

A: Not completing her mission to find life in space.

Name the planets in the order that she explored them.

A: Mercury, Venus, Mars, Jupiter, Saturn, Uranus, Neptune, Earth.

Why did she eat the ice-cream on the rocks?

A: For a picnic because she was hungry.

How tall and what is the name of the mountain on Mars?

A: 26km. Olympus Mons.

Eildon Kindergarten Report - 21 May 2021

The children have been focussing on Space and Planets. We have been counting the planets, looking at their colours and sizes and even created our own planets using salt dough and paper plates.

The Planetarium incursion was a fantastic experience, extending the children's knowledge and understanding of planets.

Bush Kinder was another highlight, this week we made paint using the water and mud from the creek bed and the trees were our easels.

Observing the children's behaviour on these adventures has been impressive as they have already developed in confidence and are displaying much higher levels of resilience. We have also noticed high levels of empathy towards each other when they are challenged in the bush setting, constantly offering to assist and help each other. What a great life skill to be developing at a young age.

It has been brought to our attention that our friends from the 'Darlingford Nursing Home' have been missing our regular visits, so we have been busy preparing some special art work for them to enjoy.

Braveheart's visiting on the 25th May.

Thank you to the Josh Parth's family for building our new nursing box to keep the guinea pigs safe when we are interacting with them.

Cheers, Megan & Kass

SMILE SQUAD school dental program (a DET initiative) will be visiting the school from 14th June to 25th June 2021.

Their service includes check-up and dental work.

Smile Squad consent forms and toothbrush packs have been sent home.

Please return the Consent Forms by 24th MAY 2021 so they can be sent to Smile Squad for processing.

Thank you.

Download our school app for free!

Why download the app?

- Receive instant notifications for important news.
- Easily register absentees and excursions.
- Keep up to date with events and set reminders.

Download instructions:

- Go to the App Store and download "School Stream" to your phone.
- Open the app and type the school's name into the search bar to load the school's profile.
- Make sure you agree to Push Notifications when prompted.
