Principal's Report Term 2 Week 10- 2021

We have certainly had a pleasant start to Term 2 and the students have settled back in nicely.

This term's inquiry theme is Space and our focus values are Respect and Integrity. We are all looking forward to delving into the far reaches of space knowledge and I am sure we will see some great examples of Respect and Integrity along the way.

The Arboreal Wonderland has been created and we have been using it each morning with our daily cross-country training. How lucky we are to live here in beautiful Eildon. We will continue to develop this amazing learning space with signage, tiled mosaics, sculptures, bird-boxes etc etc.

We are all looking forward to the Drive In Movie Night this Saturday night. Hopefully the weather is kind and we get a strong turnout from the patrons. Many thanks to Tash and Anita and all the members of the Parents Club for their hard work in setting up and running this terrific fundraiser.

The Cluster Cross-Country event will be held as usual at Eildon Primary School on Wednesday May 5. Parents are welcome to come along and spectate. The Parents Club will be running a sausage sizzle and helpers are sought.

Peter Geldart our School Chaplain will be cooking up a storm next Wednesday morning (so as not to clash with cross-country). Why not come down and have a hot breakfast?

The students are working hard on their literacy and numeracy skills at the moment and we acknowledge all of their hard work. Thanks to everyone for doing their nightly reading!

The School Captains and I will be present at the Cenotaph on Sunday morning at 11am with Karine Haslem (councillor Eildon ward). We will lay a wreath in order to pay respect to those who have served in the defence of our nation.

Have a great fortnight everyone.

Mr Jai Harrington, Principal

Indonesian Awards

Lillian Fraser - Lillian actively participated in question time during Indonesian and new so many things. Bagus Lillian.

P.E. Awards

Charlotte Smith- Great tracking, throwing and catching of the foxtail and reaction ball to-day Charlott. You experienced a lot of success!!

ART Awards

Kayden Andrews & Hunter Ricco -

For drawing and colouring fantastic ANZAC poppies.

Eildon Kindergarten Report - 23 April 2021

Welcome back to the beginning of Term 2.

The children have all had a great first week back, everyone has settled in extremely well and they were all super excited to see each other again.

The 'Sing and Grow' program started this week with Beth, our music therapist. The program will assist with the children's language development and ability to regulate their emotions.

We have re united with our Grade 5 reading buddies, enjoying a special play together and sharing picture story books..

Anzac Day has been discussed along with a visit to the Cenotaph. The children have also made something special to lay on Sunday.

We have returned to shared fruit, hoping this will provide the children with healthier food choices. Please remember to place a piece of fruit in the basket at sign in.

Tuesday 27th April we have Claire Slater (Speech Therapist) visiting the centre. This has been made possible through our School Readiness Funding and will assist Kass and I in supporting the children's language development. These visits will be ongoing, if you have any questions don't hesitate to approach Kass or myself.

Finally, Bush Kinder will commence next week. Please provide a full change of clothing and a wet weather jacket. Gum boots will be provided by the Kindergarten.

Cheers, Megan & Kass
