Principal's Report Term 4 Week 8 - 2020

Well it has been getting quite a bit warmer this week and all of our students have been great at wearing their hats outside.

In a year that hasn't allowed us to hold most of our usual events, it is nice that we are able to finish the year with one or two of our usual calendar items. The students will spend all of the last week swimming each day, three days at OEG Camp, Transition Days, Juniors BBQ/Swim and Seniors Graduation. Please see the enclosed calendar for details. In line with the Department's COVID19 Operational Guidelines, the Grade 6 Graduation will be held at school (Friday Week) during class time. It will be attended by Senior students and staff only but will be able to be watched by families on Webex. The format will be very similar to the usual one with presentations, awards, photos, speeches, film clips, music and food. Grade Six students are to wear smart casual dress that day.

Many thanks to Aaron Ward for some fantastic work he has done around the school grounds and in the library recently. We still have a few projects that will be completed with the buildings and grounds before the end of the year. There will be some concreting done at the High St entrance and back of the General Office. The Bike Shed will be refurbished, pergolas painted, new playground equipment installed and some minor defects attended to from the Maintenance Blitz. The school will be looking so good at the beginning of 2021.

Welcome to our new student Amelia Roche. It is terrific to have her smiling face back in our wonderful learning community here in Eildon.

Reports will be sent home in the next couple of weeks and we are very pleased with the students' progress despite all that has occurred in 2020. Please take the time to read through the reports with your child.

We are getting very close to the end of the year now and it has certainly been one with a difference. Again, thanks to every member of our school community for the remarkable Resilience that has been shown.

Mr Jai Harrington, Principal

Congratulations to Chelsea Webster who received the Encouragement Award from The Rotary Club of Alexandra. Chelsea has demonstrated the school values consistently and is a very worthy recipient.
Well done Chels!

Art Awards

Cody Ball

For showing the school value of Cooperation by painting a wonderful dot pattern on his Christmas bauble!!

Lachlan Tatham

For creating an interesting Covid19 jigsaw puzzle piece self-portrait.
Well done Lachlan!

P.E. Awards

Cooper Jordan-Long

For playing a great game of soccer on Wednesday and showing great sportsmanship! Well done Cooper!

Middles Class Debate

FOR

THE GREAT
Fairy
Bread
DEBATE!!!

AGAINST

We should celebrate
fairy bread day because
one time I asked dad "can
I have some lollies?" he said
"whatever, just four or ten"
but I scoffed down the
hole 1,000 lollies and
the next day my teeth
were fine.

Fairy Bread Month
Fairy bread is good for
trick or treat because they
dance for you well bla bla
bla fairy bread is delicious
so we need fairy bread
month. We will only have it for a
month.

For Fairy
Bread
Fairy bread is
delicious and
there is two
tuesday then why
should Fairy Bread
be any different?
Griffin

Why do we have fairy bread
days? We don't have apple days
or banana days or any days for
fruit so why do we have fairy
bread days? If we did have a fairy
day for fruit I would be happy
I love all fruit.

If you eat
too much fairy
bread you will
get rotten teeth
who even likes
fairy bread?
I could get Nishp
gives from that!

Toungarawgs grow
Apples, grapes, and pumpkins
but not Fairy Bread. You
put butter on bread, you
put sprinkles on ice cream.
So why not have a
Bread, Butter, Ice cream
and Sprinkles day?

Tyler
Would you eat
fairy bread? It's dis-
gusting! How can you eat
a whole lunch of fairy bread?
I only have one a day and
then I brush my teeth.

Fairy bread day is not so good.
Fairy bread is full of sweets and
it is not good for our teeth.
Some people eat a lot of fairy
bread and their teeth get
black. Some day after they get heard
in their teeth and they need
to lose their teeth. Some
people say "we can have
black" but that is not a
problem for us" but I know
that is a problem it is
not so good. So don't eat
fairy bread.

My uncle lost his teeth and
his fake ones fall out when
he eats. do you want to be
like that or n

Balancing Love & Discipline

An online parenting program

This course is suitable for all parents who would like to meet with others to explore ways to increase their options in dealing with the various issues that parents experience while supporting and nurturing their partners and children of all ages. Some of the topics that have been helpful in previous groups include:

Every Monday and Thursday
12.30-2.30pm
Starting Monday 23rd Nov for 4 weeks.

Group will be online via Zoom and participants will receive further information when they register.

- Communication
- Teaching life skills
- Issues of discipline
- What is normal for kids?
- Confronting unacceptable behaviour
- How to help your child when they are anxious, angry or upset

"Discovering that others are experiencing problems almost identical to your own somehow seems to lighten your load."

"I can use this with my husband as well as my children."

"Helpful, done it twice and taken away different strategies each time"

schoolstream

Please download the App today!

We have replaced Flexibuzz with School Stream, to communicate with our whole school community. This is a free app and we ask all families to download it onto their mobile phones, to receive all notifications that we send out.

School Stream enables teachers and staff to deliver information, instantly and directly to parents on their mobile device. Without using phone numbers or emails they can share the classroom daily activities, photos, meeting times and reminders.

PLEASE DOWNLOAD TODAY!!

The Junior class have been enjoying the warmer weather and finding a quiet spot in the playground during their morning reading time.

Eildon Kindergarten Report

27 November 2020

Busy times at the Kindergarten!

The children have been working on beautiful Christmas decorations, a lot of art and craft in progress .

Transition has been in full swing with the children visiting the foundation classroom setting and Mrs Hall acting as our guest reader when we celebrated ELF Reading Day.

ELF Day was celebrated over two days. The children all looked fantastic in their dress ups, we paraded from a distance for the school children. All Kindergarten children received a special book to take home and share with their family.

Reminder

- ☺ children require hats for outdoor play
- ☺ avoid singlet tops, T shirts are the preferred option to prevent sunburn

Cheers
Megan and Kass
