Students of the Week - 24 & 31 May 2019

Juniors

Olivia McKernan

Olivia was very **Respectful** throughout assembly rehearsals, by being an appreciative audience member and projecting her voice when required.

Ella Casey

Ella consistently shows **Respect** by moving quietly around the room and completing work quickly. Great effort Ella!

Andrea Hall

Middles

Couper Blackwell

For showing our term value of **Respect** during Cultural Assembly rehearsal and putting in so much work to help his group.
Well Done Couper!

Tye Northen

For showing our term value of **Respect** when working with her maths group to solve a problem.
Well Done Tye!

Rebecca Mangelsdorf

Seniors

Isabella Hunkin

Isabella demonstrated the school value of **Respect** by listening to feedback and improving her public speaking skills. Awesome effort Isabella!

Aidan Ionescu

Aidan demonstrates the school value of **Respect** by having a positive attitude to his learning, fully engaging in activities in class and getting along better with his peers. Well done Aidan!

Hayley Crowle

Tuesday 4th June

10am Biggest Morning Tea
MP Room

Wednesday 5th June

8:15→8:55am Egg & Bacon Breakfast - Don't forget!

Monday 10th June

Queens Birthday Holiday

Tuesday 11th June

Curriculum Day
NO Students to attend school

Friday 14th June

SRC Special Lunch

Wednesday 19th June

7pm School Council Meeting

Friday 21st June

Appreciations

Thankyou

- ☺ Anita Keddell, Kate Newman, Andrea Hall, Ava Carr, John and Julie Schachner for helping with the Million Paws Walk BBQ
- ☺ Jenny Laskovsky for donating Art Paper and Board to school.
- ☺ Kevin Tappe & Seth for their hard work removing the plants from the front rock garden.

Principal's Report Term 2 Week 6 - 2019

The term is definitely moving along now as we come into the grips of winter. Great to see winter uniform being worn around the school.

Attendance continues to improve each week and thanks to all parents for making sure their children arrive to school on time every day. The office staff will place a telephone call to the family of any student who is not present by 9:30am.

The students continue to work hard in class and it is amazing to see the progress that is being made both academically and socially. We are seeing many examples of respectful behaviour both in the classroom and out in the yard.

We have an incursion and an excursion planned in the second half of the term and Miss Mangelsdorf has been very busy making arrangements as our Integrated Studies Coordinator. Miss Mangelsdorf has done a fantastic job in this role which is normally taken on by teachers who have been in schools for many years. Thank you Miss Mangelsdorf!

On the weekend, Kevin and Seth came into the school for our School Council Working Bee. Kevin and Seth did an amazing job clearing the old plants from the front rock garden. It was very hard work but thanks to their tremendous effort, the job was done inside a couple of hours. Thanks again Kevin and Seth, your valuable contribution is greatly appreciated.

Last week, the Teaching and Education Support Staff attended the Cathedral Cluster Curriculum Day at Alexandra Secondary College. This was a great day of professional learning and collegiality. Mrs Crowle presented sessions on Reading Comprehension which were very well-received by the attendees. Some of the other workshops were to do with the teaching of mathematics and writing as well as teacher wellbeing. The professional learning of the staff continues this week with our writing videoconferences. These are a series of workshops conducted by the Southern Goulburn Education Improvement Leader Cathy Gunn. We look forward to taking many of the ideas mentioned in the workshops back to our classroom to benefit the students.

Snobs Creek Hatchery is having an Open Day on the second Thursday and Friday of the school holidays. That will be the 11th and 12th of July. Attendance is free and it runs from 10am – 2pm both days. There are lots of prizes and kids activities as well as an exhibition of our students' art work. The educational tours of the hatchery will be great fun too. What a great thing to do with the kids in the holidays!

Eildon's Biggest Morning Tea is happening in the MPR next Tuesday 4th from 10am-2pm. The students from the Middles classroom will be performing between 11:00am and 11:30am. We encourage families to come down and support this great cause.

At our last School Council meeting, the idea of having Before and After School Care at Eildon Primary School was discussed. Having found a potential provider of such a service, the next step is to survey demand. In this newsletter, there is a short survey about whether you would be interested in accessing this service which is for a maximum of seven students at this stage. If you are seriously interested in accessing this, please complete the survey and return it to the office at your earliest opportunity.

Minor works will commence on the school in the near future following the recent Assessment conducted for the Victorian Schools Building Authority. A number of issues were identified most of which relate to the cladding around the old school building. We will work through these items in a systematic fashion and with the support of the Department to preserve the physical integrity of our great school.

A reminder that all of the school's policies are displayed on the school's website. We get very positive comments on our website but if there are any suggestions on how we can improve it or any other aspect of the school, please do not hesitate to contact myself, the office, a teacher or a school council member.

A reminder that our number one goal for 2019 is progress in reading. This is a major undertaking that we are tackling in many ways. We are definitely seeing improvement right across the school. One of the best ways that parents can help is to ensure that their child/ren do their nightly reading each night. This is so important and we can definitely tell the students who have been doing their nightly reading by the rapid progress and fluent nature of their reading. Thanks to all the parents who have been doing this, your hard work is definitely making a difference!

Mr Harrington.

Science Awards

Aliyah Casey (Juniors) For showing the school value of **Respect** by taking great care with the construction of her barometer. Well done Aliyah!

Sreya Thanippily (Middles) For demonstrating the value of **Respect** with her excellent written explanation of how light affects the pupils of the eye. Well done Sreya!

ART AWARDS

Brayden Stewart (Middles) For his very realistic charcoal landscape depicting a stormy day.

Layla Seamer (Middles) For demonstrating the value of **Respect** with her very colourful and creative rainbow trout she drew for the Snobs Creek Hatchery Open Day. Well done Laylah!

Japanese Awards

Couper Blackwell (Middles) For demonstrating the school value **Respect** by completing his learning tasks to a very high standard. Well done Couper!

Harley Dempsey (Juniors) For demonstrating the value of **Respect** with his great color coding matching Japanese pictures with their words. Well done Harley!

7 June 2019

Kindergarten Report - 31st May, 2019

This fortnight we have been focusing on Indigenous culture, traditions and artwork. The children have been very creative with dot painting, making rain sticks, replicating aboriginal symbols in sand and we have also been sharing many dreamtime stories at mat time.

Camp fires, bush kinder and appreciation of natural surroundings has been of great interest over the last fortnight. Being in the outdoor elements provides children with a setting in which to develop resilience whilst enjoying the great outdoors.

We have continued our "training" for the walkathon, as this date (June 5th) is fast approaching.

Our focus in Japanese has been numbers 1-5, and revising colours and greetings.

The Primary School Grade 5 students have visited us on two occasions to read a story one-to-one with the children. This is a great transition to school experience and supports budding friendships to form. Staff will observe natural connections between children assisting us in identifying potential "buddies" for 2020.

Please remember to provide spare clothing as we often return from the outdoors wet and muddy.

A June calendar has been distributed, please read as there are some important dates to remember.

Cheers
Megan and Kass

Before and Afterschool Care Program—Survey

Are you seriously interested in accessing this service which is for a maximum of seven students at this stage. Please complete the survey and return it to the office at your earliest opportunity.

The cost of this service will be marginal to most families, I understand as it will be covered by the Child Care Benefit and Child Care Rebate. However, families will be required to cover a 'gap' fee, the size of which will depend on the family's income. More information will be forthcoming about this but just so you are aware it is not a free service.

I am seriously interested in accessing :
