Principal's Report Term 4 , Week 5 - 2019

It has been quite wet this week and we have had a lot more indoor play at school with lots of wonderful learning taking place.

Before and After School Care enrolment forms went out this week. We recommend that all families enrol their children even if they don't plan to use the service. If families do require the service in the future it will be much quicker to get access to the service if we already have the documentation.

Cultural Assembly was fantastic this afternoon and thanks to those who came along to support the students and their learning. Thanks also to our amazing teachers for preparing the performances so thoroughly.

We have planted some apple and pomegranate trees in front of the Chicken Coup. This was funded by the Shire through their Walk2School program and will provide important shade to the coup during the warmer months. Thanks to Jarrod, Lachlan and Mia Tatham for their help planting the trees last night.

Those families who are going to the Alexandra Show on the weekend should pop into the Art Shed to see some of our students' art work which will be on display.

Thinking of Hudson, Brandon, Jade and Xanthe who are no doubt having a tremendous time at Somers Camp right now. The camp goes for about 10 days and is looked forward to by almost all students across the state. They are very lucky to be able to attend and we know they will get a lot out of the experience.

If any parents are available to help Anita and the Parents Club next Friday at the Eildon Community Golf Day, please let the office know. It makes a huge difference when we get a few more helpers to these fundraising events. If everyone helped out at even one event throughout the year, that would be amazing!

The Grade Six Students have their second all day Transition Day next Thursday and we look forward to hearing about another positive experience at the secondary college.

Great to see most families using the Flexibuzz app to indicate any absences in recent times. Attendance data is improving at the school and it certainly helps when we promptly know why students are away.

Finally, don't forget to grab your tickets to the Eildon Summer's Eve Ball. We need to know numbers by November 22. This event is being run by our School Council and it will be a fantastic night for our community here in Eildon! It is open to school families and the wider public. So come on, time to get your tables organised and your dancing shoes out to enjoy a lovely evening and a great meal with fine company. You will be supporting a fabulous cause!

Kindergarten Report - 8th November, 2019

An excursion to Healesville Sanctuary with the 4yr old group was enjoyed by all. The children put in a great effort walking for most of the day as we explored the trails and sighted all of the beautiful Australian animals. The 'Bird Show', 'Platypus Show', the Dingos and playgrounds were the highlights of the day. On the way home we stopped in at the new Healesville Park where we enjoyed a zip line ride.

With the hot weather last week we took advantage of the outdoors and enjoyed a lot of water play activities. The dry creek river bed, 'wet land' habitat trays with Australian animals, plus floating boats in a shallow pool. Placing rocks in the boats, the children learnt about sink and float concepts.

Please remember hats and a change of clothing in your child's bag just in case they get wet during water play.

Anja will be replacing Megan next week while she is on leave.

*Cheers,
Megan and Kass*
