

Eildon Kindergarten Report - February 2021

During February the children have ventured out into their local community, appreciating its facilities and beauty.

They have enjoyed having their body outlines traced onto paper, cutting them out, painting them and pasting on photos of their faces. This provided opportunities to discuss our bodies, hair and eye colours, growth (relate back to our growth chart) and general labelling of arms, legs etc. On completion, the children also had a great time playing with their paper bodies, sitting on chairs and general role play.

Interesting comments were made such as "Megan can you help me cut my head off?" hahahahaha!!!

Reflecting Learning Outcomes

1. Children have a strong sense of identity
4. Children are confident and involved learners

We had much pleasure discovering children under one of our special trees in the yard. They have named it their magic tree...

Together in their special world they engaged in imaginative play.

This week we cooked pancakes at Kinder.

The children learnt about hygiene and safety when cooking, they also enjoyed the pancakes!

Next Monday 1st March, Megan and Kass will be absent from the kindergarten as they are attending a Professional Development Training session. We have arranged relief staff to supervise the kindergarten session on this day. Mrs Hall from the Eildon Primary School will be in the kindergarten with the assistance of Kylie Ryan. Thank you for your understanding.

Cheers, Megan & Kass
