Principal's Report Term 4 Week 3 - 2019

We certainly got a taste of summer this week with the temperatures reaching into the thirties yesterday. Thankfully, we all remembered to wear our hats!

We had some fun events this week including a visit from Kirby the Vet who spoke to the kids about the life cycle of a flea. The kids were very engaged and learnt so much! Thanks for coming out Kirby!

ELF Reading Day was a huge success and the weather was absolutely magnificent! Thanks to all the shopkeepers and to Isabella and Beryl and Niko for reading the stories. Thanks also to Megan Strongman and Hayley Crowle for organising the day and to all the parents and kids for putting together such amazing costumes.

Thanks to all the parents who gave up their time to attend School Council and Parent Club meetings this week. We are always looking for helpers (especially Parents Club) and the Eildon Community Golf Day is coming up on Friday November 15, so if you have some time available, please let Anita Keddell know and we will be most grateful.

Lastly, today we celebrated three important things at once. Firstly, it was World Teachers Day and the kids made banners displaying adjectives that described their wonderful teachers. A special Morning Tea was also given to make our amazing teachers feel extra special. We also held Walk2School Day and our two walking buses were in operation from 8:15am. We had a very good turnout this year and special thanks to Miss Mangelsdorf and Wendy Fletcher for 'driving' the students to school in the buses. Lastly, the SRC also held a Bandanna Day to raise money for children with cancer. It was great to see so many of our students participating in such a worthwhile cause.

Next week will be quieter so that we can dig into our new reading comprehension workbooks which the kids are really enjoying. We do have a visit from the Holmesglen students on Thursday who will be conducting their Annual Tabloid Sports Day with the kids.

Many thanks to our amazing Parents Club who held a Food Stall at the Big Fish and drove buses all day at the Boat Show. Thanks to all their hard work, many of the travel costs for camps and excursions are taken care of to make them more affordable for our families.

The grounds have been given a tidy up and are looking better than ever.

Notes for camps have gone out this week and we encourage all families to keep up to date with camp fees by making regular payments to the office. Also, could you please return all camp forms promptly to facilitate their organisation. There are a number of camps happening at the moment and some students are attending more than one. We do have a Financial Hardship Policy at Eildon Primary School, so if you are experiencing difficulty making payments, please contact the office or speak to Mr Harrington.

The Inaugural Eildon Summer's Eve Ball is only a few weeks away now and we are hoping for a great turnout. The event is open to all members of the Eildon and wider community so please come along for a great night of fine food, music and dancing. You will be supporting your local primary school and helping us to provide greater outcomes and opportunities for our kids.

Apologies for any confusion.**

P.E. Awards

Jasmine Hunkin (Middles)

For demonstrating the school value of Achievement by participating enthusiastically and attacking magnificently in soccer.

ART AWARDS

Kaiden Lovett (Seniors)

For demonstrating the school value of Achievement by working hard throughout the session to create a marvellous wet-on-wet watercolor of a butterfly.

CommonwealthBank

Last year, Australian Securities and Investments Commission (ASIC) had announced a review of school banking programs.

ASIC recently announced that it is seeking the public's views of school banking programs to help inform its review. ASIC would like to hear from schools and parents. You can do this online by answering ASIC's short survey and providing any other feedback. Simply visit:

Kindergarten Report - 25th October, 2019

This fortnight we have continued to focus on further developing literacy and numeracy foundations that the children will be able to build upon when entering their first year of primary school. Such skills include pencil grip, letter and number formation/recognition and understanding one to one correspondence in counting scenarios.

We have enjoyed participating in activities with our primary school peers such as the Dinosaur Show incursion and the ELF Reading Day parade and excursion.

A big thank you to all of our families for your efforts with children's costumes, and also to our local community members/shopkeepers for continuing to support our ELF Reading Day, enhancing the children's sense of community and love of reading.

HATS are required for term 4 as part of our SunSmart policy, please ensure your child has a hat each session. Due to water play activities planned this term, please ensure your child has spare clothing in their bag.

Cheers, Megan and Kass

PARENTS CLUB
