Principal's Report Term 2 Week 3 - 2021

The Cross Country event was a success this week with some of our students doing really well. Congratulations to Levi Campbell who came first in the 10 year old boys. Thanks to the Parents Club and the Lions of Eildon for their great efforts with the catering.

Thanks to the Parents Club also for their hard work setting up and running the Drive In Movie Night. It was nice to see some of our parents in attendance, it was certainly a fun night.

The Community Centre has received a makeover this fortnight with new windows, ceiling and paint. It looks great and is getting more use now with Pilates on Tuesdays and Thursdays at 5:30pm. We will be starting Roller Skating in June and Family Sports Nights in the near future. It will be great to see support from our families with these initiatives.

Auskick has started up again at the Thornton Eildon Football Netball club. Some of our students attended the first night this week.

See School Stream and Face Book for details.

Next week the Gr 3 and 5 students will sit the 2021 Naplan assessments. We are proud of how hard they have been working in class and look forward to seeing where they are at with their learning.

Have a great fortnight everyone!

Mr Jai Harrington, Principal

Juniors Writing about 'Space'

Lilly loves everything about space! She tells her mum everything about space. 25 years later, she is an astronaut. So her suitcase is green with a zebra picture on the front. It is soft leather with a wool handle so she packed her beautiful old teddy that she got from her Grandma, 9th the one with gleaming white hair!) the teddy is pink and soft with3,2,1 blast off!
So gorgeous Lilly heard the loud speakers say "We are arriving at Venus.' So she super jumped on Venus, prepared to explore. A volcano nearly hit her. She ran away.
Boy, she had a hot holiday!

Eildon Kindergarten Report - 7 May 2021

Busy times at the centre this term already!!!

We have had two visits from both Scope Field Officer and a Speech Pathologist to assist staff with strategies in supporting your child's development.

Staff have now completed level 2 First Aid Training, Apply First Aid, CPR, Asthma, and Anaphylaxis.

The children have enjoyed their first bush kinder walk, becoming familiar with the bush setting we will use throughout Terms 2 and 3.

'Sing and Grow' was a great success with Beth, using music and actions to activate both brain lobes to assist with the children's emotional regulation.

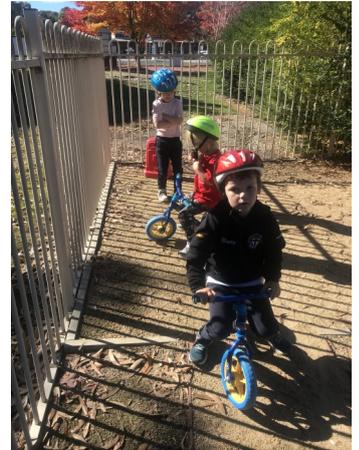

The bikes and bike track have also been very popular, we are going to develop a Mini Service Station at the track as a provocation to engage the children with literacy and numeracy skills.

The children had a great time cheering on their foundation peers and siblings at the Cluster Cross Country on Wednesday.

We encourage families to provide children with a piece of fruit everyday for shared morning tea. We have noticed there continues to be a lot of pre-packaged high sugar products in children's lunches. In line with our healthy eating policy we would like to promote healthier options to children, creating healthy eating habits that will enhance learning outcomes.

Hoppy Mother's Day to all our special Mum's.

Cheers, Megan & Kass
