Principal's Report Term 1 Week 7 - 2021

It has been a very productive fortnight with all of our students working steadily through the wonderful activities set by our creative teachers.

Just a reminder that it is an expectation that all of our students are completing their nightly reading. Parents should initial their child's reading log regularly to help with this process.

Well done to Ava Carr who competed at Regional Swimming recently. Ava swam very well in the butterfly and represented the school, cluster and our division admirably. Well done Ava!

We have had a number of students attending tennis at the Eildon Tennis Club on Thursday nights 4-5pm (cost is \$5). Also, parents/families are welcome to come down to Monday Night Social Tennis from 6pm. Tennis is a terrific sport which provides great exercise in a safe, pleasant and friendly atmosphere.

Works on the Arboreal Wonderland will be commencing shortly and we hope to be able to use this exciting new learning space in the very near future. The school's oval continues to be resurfaced with a final rake occurring this weekend prior to the sewing of seed. We plan to have the children sew the seed to provide them with an opportunity to contribute further to the development of the school grounds.

Another reminder to all vehicles to please drive slowly on the school grounds. Children can be very unpredictable as we know and it only takes a split second for an accident to occur. A good guide would be to stay below 10km/hr in the car parks/driveways! It is not worth endangering the safety of others just because people are in a rush! Many thanks for your cooperation with this important matter.

As we approach the end of term, I am sure we will all continue to be COVID-safe, remembering to sign in, social distance and carry masks when on school grounds.

Finally, thanks to Miss Mangelsdorf and Wendy Fletcher for running and setting up our Annual Book Fair. Books are still available and there is a fantastic array of literature present to help stimulate your child's reading appetite.

Have a great fortnight everyone!

Breakfast at Kindergarten was enjoyed by the children this week. They were very enthusiastic about preparing their own meals and cleaning up afterwards. All while learning self help skills and building confidence in their abilities.

The children also enjoyed spin art and bubbles - exploring cause and effect through play.

Finally, LEGO was a huge interest this week too with some wonderful creative thinking happening. Such a fun day!
